

Design and Specification Sheet

We hope this guide helps you on the exciting journey of planning your new fireplace, but if you have any questions, please [get in touch](#), and we'll be happy to help.

Inspiration & Design

Take time to explore ideas for the design of your new fireplace and note everything down, saving links, catalogue pages, copying/pasting images, etc. Look through our [range of catalogues](#), or dive into [Houzz](#), [Pinterest](#), or [Instagram](#) for some inspiration.

Here are a few things to think about.

- **Size:** what sort of space do you have to work with?
- **Power:** are you looking for an electric, gas or wood-burning fire or stove?
- **Style:** are you looking for a contemporary or traditional fireplace?
- **Materials:** what sort of materials would you like your fireplace to incorporate?
- **Technology:** would you like the latest in fire or stove gadgetry, e.g., control heating by an app?
- **Function:** are you looking to build any surrounding features or storage space in your fireplace?
- **Media Wall Fireplace:** are you incorporating a TV or other media into your fireplace?
